Location: 88 Jessen Pl

Date : August 3, 2023

For the last week, this dark calico cat has been regularly visiting in our backyard in Beacon, NY. It appears to be friendly/social and meows at us when we're outside. It scurries away if we get too close, but it does let us approach. We put out some food after seeing it for a few days straight. Doesn't appear feral. Hoping we can find this kitty's owner (assuming they have one).
