LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Poughkeepsie (?? Sponsored by Ulster Savings Bank)

Contact: 845-235-9306

Location: Durocher terrace

Date : February 26, 2024

This guy (assuming by his size) was sheltering on our porch this morning near Adams off route 44 in Poughkeepsie. He has a notched ear, so might be from one of the feral colonies in our area, but I managed to usher him into our garage to dry off in a cozy spot with food, water and litter available. Just checking to see if he has a home that we can reunite him with.
