One of my barn cats is missing. I usually keep them in my barn, but a pane fell out of a back window and now he is nowhere to be seen. Please let me know if you see him. He will not let you touch him. He will just run away. But, he is such a nice boy and a fantastic ratter. My barn that he escaped from is back aways on my property on Route 82 in Hopewell. Not far from Royal Carting but on the other side of 82. If you see him, call me or text me at (845) 705-5342 or

send me a message.
