Found in the City of Newburgh. South Lander & Benkard Ave. Fluffy Long Hair Black Cat, in pretty good shape, showed up at my house. 6/24/24. I have a feeding station for neighborhood cats (all neutered) I hope it wasn't dumped. Fed it. If it is back in the morning I will get a photo. Definitely not feral but the alpha cat wouldn't let it come close. Sorry bad photo, nighttime.
