Location: 202 Crane Rd

Date : July 18, 2024

This cat has been in our backyard for the past 2 days. Unfortunately we can't take it in because I am allergic and we have a dog. I was trying to post this on your Facebook page but I couldn't figure out how through my phone. It is very skinny and keeps climbing the trees in our backyard for some reason. No collar. Hopefully someone is looking for him!
