Location: Prospect Street

Date : July 11, 2024

This sweet young very vocal cat has been showing up hungry to a few houses on our street. Friendly, healthy and used to people/domesticated. I fed (him?) a few times and may try to see if it's microchipped if I can get it in a crate. Long torso with light stripes, almost blonde. About 1-2 year(s) old. Super-adoptable kitty 🐾
