PLEASE HELP FIND OUR MISSING CALICO CAT IN GARDINER AREA! Her name is Machi and she went missing yesterday from Dusinberre Road in Gardiner. She has never been outside – she is 6 yrs old and has always been an indoor cat – and I am terrified she will not survive outside with the coyotes and owls etc. PLEASE KEEP YOUR EYES AND EARS OPEN. If you do spot her please, please call my number immediately and we will come and pick her up.
