LOST PET

Letty from Stuyvesant (🐾 Sponsored by Ulster Savings Bank)

Contact: 518-813-2191

Location: US Route 9

Date : October 13, 2024

Stuyvesant, NY, missing Letty, our black and white female cat. Missing since October 8. Might be on Pats Lane, if you live there or around our surrounding areas please let me know if you have any sightings or information about Letty. We've done all the things — litter box is outside, her bedding is outside, heart trap set up, missing flyers up in the next streets and roads and we went beyond that this weekend, we talked to neighbors, searched close to home

during the day and at night (in the garbage and under the house), called kinderhook animal hospital, CG Humane Society and Animal Kind, and we will continue to look out and around during the day and at night.

Again, if you see, or know any information about Letty...if you live on Pat's Lane or on US Route 9 around Stuyvesant, NY, please, please reach out.
