Location: 55 Bundy Hill Road

Date : November 3, 2024

This sweet cat followed me around the yard all day yesterday and into the night and was waiting outside the door this morning. Very very friendly, no collar, a small bump at the base of her chest on the right side.
Drools a bit when purring :) Didn't seem starving, but I fed. Safe and inside right now.
Has definitely visited our home on Bundy Hill Rd before (we have a cat, but

he’s currently not here).
