LOST PET

Juno from Clinton (🐾 Sponsored by Ulster Savings Bank)

Contact: 917-991-3445

Location: Schoolhouse Road between Hollow and Fiddler's Bridge

Date : November 21, 2024

Juno is chipped and has a tag with her name & my phone number – she is wearing a pink reflective collar. She has been missing since last night – she ALWAYS comes in – and does not stay out all night. She is very friendly – and a good climber. She has a plump belly. She usually meows like a “squeek” . Please call if she is seen- we are so worried. Thank you.
