!!□MISSING!!□

Her name is Molly, she got out and ran away after being chased by a dog on Monday 11/4 on Clum Hill Rd in Haines Falls/Elka Park. She is dearly loved and missed terribly. We have her biological brother with whom she has a very strong bond. She is very shy but very lovey. Please please please if you have seen her call/text me at 8454187496

She and her brother were feral kittens so she is quite the hunter. We have had them as mostly indoor cats for 2 years as of this month and received them as kittens. They very seldom are let out but are familiar with the outdoors via cat enclosures with access to/from our home that we've built for them. They stay close when they do get out but she got scared off by a large dog. She is fixed and has all her shots. I am very desperate to get her back. She is extremely special to our family.
