MISSING in Clinton Corners, New York.

Niles, our indoor cat, escaped through the garage door today. He is a short-haired grey tabby with a long tail. He is also microchipped. Niles is sweet but very skittish and we're worried about him in this cold weather. If you see him around Ridge Road or Bulls Head Road, or if you have any information at all,

please contact (914) 475-1341 or (518) 567-2047.
