Moe from White Plains (🐾 Sponsored by Ulster Savings Bank)

Contact: 215.801.9523

Location: 13 Cedarwood

Date : April 4, 2025

Moe ran off on Wednesday, April 2nd around 3pm from the Memorial United Methodist Church on Bryant Avenue in White Plains. He headed south and was last spotted on ring cameras/last air tag geolocation picked up at 5am on Thursday, April 3rd in the Rosedale neighborhood of White Plains near the old Windward School. His air tag has not picked up anything since, which leads us to believe he is in a heavily wooded/remote area. He is VERY fast and

VERY skittish – he is a newly adopted rescue dog. To report a sighting, please contact Matt at 570-452-6379
