Trying to find out if this guy has an owner! He came by my door for the first time about a month ago, and he showed up again today. Appears to be interested in coming inside but then gets spooked and runs off. Seems too sweet and friendly/well-nourished to be entirely feral. Has a squeaky meow.

Also appears to not be neutered. Hoping he's got a home and isn't outside 24/7 in this cold weather! Imperial Gardens, Middletown.
