My cat has been missing since Sunday morning the 30th. We live on the dead end street on Main Street in Saugerties. Our cat is fixed and enjoys hanging out in the cemetery, never going too far from home. He was always within an earshot and always came home when called. He chose to go out the morning

of the storm and never returned. Our family is still hopeful that he will return. Please call me if you see my son, he is terribly missed.
