My husband was on his way to work and found this dog near Nyack Hospital. He looked around to see if he could spot the owner but couldn't find anyone, so he decided to bring the dog home. I contacted the Stony Point Police Department, but they wouldn't take him because he isn't from that town. I

called the Orangetown Police Department, but they only took down the information. I think that he is a Catahoula Leopard Dog Mix still baby or young. Please, if anyone recognizes him, contact me.
